*My company and/or I agree to sponsor the Eastern Division of MIBOR website and to the following terms and conditions. I grant permission for Eastern Division of MIBOR to use my web site image or to provide my/company logo and website link if desired. It is understood that sponsorship is to be for 3 month intervals at the cost of \$75.00 per quarter, to be paid in advance. In the event more than one vender, from the same type of organization, applies for sponsorship for a given 3 month interval, a random drawing will be held for that particular quarter. If only two vendors apply for a given quarter, the applicant not chosen will be guaranteed a sponsorship for the following quarter. If 2 or more same-type vendors are left in a particular 3 month interval, his/her application will be held and placed in another random drawing to be awarded sponsorship for the following quarter. Once a sponsor has had an opportunity to support the website, and other same-type vendors are still waiting for sponsorship opportunities, given sponsor's name will not go back into the selection pile until all those waiting have had an opportunity for sponsorship. As long as there are no other similar vendors applying or waiting, repeat sponsorship is certainly welcome.*
