

EASTERN DIVISION OF MIBOR **SUPPORT OUR TROOPS PROJECTS**

We are looking for an office coordinator from each participating office to handle the collection and shipping of the donated items to our troops. This is a great way to show our men and women in uniform that we have not forgotten them and are working to send them things from home to spread a little comfort and reminders of home and a grateful county.

- -Each office that participates in the collection of items should display a box in the office lobby to invite clients, friends and neighbors to contribute.
- -Each office will receive a list of recommended and requested items.
- -More information will be forthcoming.

We are also asking that any realtor who has a friend or family member severing over seas would please submit their information so that they may receive a personal package from home.
